**Narrative**

Sir, complainant called into police headquarters at the customer service desk to make a report of a sex offense against her minor client. Complainant stated that the victim is in state custody and she represents him from the state of West, Virginia. The victim currently resides at Coastal Harbor Mental Health facility located at 1150 Cornell Ave in Savannah, GA. Complainant stated that the victim is at Coastal Harbor because this is the only facility that can treat him. The victim has been at Coastal Harbor since July 22nd of this year. I questioned the complainant as to why the therapist didn't report the incident when it occurred and she stated that because the victim is in her custody, she had to make the report.

Complainant advised that she was notified in the first week of September by Levonna Simmons, who is a therapist at Coastal Harbor, that the victim had been complaining that the suspect **[REDACTED]**, had been fondling him on several occasions. This incident occurred at the Coastal Harbor facility. I am unsure of just what the term "fondling" pertains to because this was a third party call. I was not aware of the actual date of occurrence or how many times this may have occurred. The victim stated to Ms. Simmons that he wanted to file criminal charges against **[REDACTED]**.

The information provided by the complainant was limited and complainant stated should she get more information, she would call back and relay that info to me.

Complainant was provided a CRN for this report.

**Narrative**

On 3/18/17 at 1430 hours, I was dispatched to Coastal Harbor Behavioral Treatment Center, located at 1150 Cornell Ave, for a report of a sexual encounter between a juvenile patient and a male employee. When I arrived on scene, I made contact with three social workers from West Virginia, identified as [REDACTED] and [REDACTED].

They advised me that they are representing the State of West Virginia Child Services, and have legal custody over [REDACTED], a patient who has been residing at Coastal Harbor for treatment since August of 2016.

### Narrative

Recently, due to an unrelated incident, a Supreme Court judge in West Virginia signed an order to retrieve all children residing at Coastal Harbor who are under the State of West Virginia's custody and bring them back.

The three social workers then flew down to Savannah, GA to complete the order. Before taking the children back to WV, the social workers conducted interviews on each child. During one interview with [REDACTED], she vaguely admitted that she and a male staff member of Coastal Harbor had been having sexual contact with each other since November. [REDACTED] told them that it was not intercourse, strictly touching, and that it was consensual. [REDACTED] also alluded to the fact that she and this employee, whom she did not name, were romantically involved. The Social Workers further advised that [REDACTED] has already been a victim of sexual abuse before and is brainwashed into believing that this kind of behavior is acceptable.

They then went on to tell me that they had interviewed another child, identified as [REDACTED], who has knowledge of the interactions between the unknown staff member and other girls. She gave up a name to the social workers of Keith Mills, who was confirmed to be an employee of Coastal Harbor.

SVU detectives were then notified by me and arrived on scene to take over the investigation. Sgt. Henderson and Sgt. Manuel were also notified. The social workers were given a CRN and follow-up instructions. My BWC was activated during this call.

## Narrative

On April 6, 2017 I (Officer J. Gause) and APO M. Henderson was dispatched to a Sex Offense call at 1150 Cornell Avenue (Coastal Harbor) at 20:19 P.M in Chatham County. On scene I made contact with shift supervisor (Henry Binon) who advised that one of his consumers was sexually assaulted. He states that the consumer was [REDACTED] and during today's visitation hours [REDACTED] became upset and started crying to her Mother and Brother about male members of the Coastal Harbor staff that had raped her. He then advised that [REDACTED] stated that she has been getting raped since January 10th up until last Saturday and that during one of the rape incident she fought back a bit and scratched one of the suspects. He also advised that [REDACTED] is in a UNIT that is only staffed with female most of the time. My Supervisor was contacted and arrived on scene at Coastal harbor.

I then spoke with [REDACTED] and ask her to tell me about her incident with coastal harbor male staff members. She states that she was rape by several males at costal harbor, suspects Mr. Keith, Mr. Hodges, Mr. Sanders Mr. Dre, Mr. Dee and Mr. Joe. [REDACTED] advise that Mr. Keith put "his private part in her private part" and gave her a PRN

pill that made her go to sleep before he raped her. She advises that Mr. Hodges raped her in the game room of Coastal Harbor facility where there were no cameras. She then advises that Mr. Sanders raped her over the weekend and made her take off her shirt and pants. She then advises that Mr. Joe and Mr. Dre make her take off all of clothes and rape her, and that Mr. Dee watched her in the shower today.

I then asked [REDACTED] what she means by rape, she advised that all suspects put their private part inside of her private part. She then states that during the rapes there is sometimes a female staff member present and they tell the men and the women peers to rape her. She states that Ms. Earnestine advised a peer from the Unit to rape her and she did. I then ask [REDACTED] if these men ejaculated inside of her and she stated that they did. I then ask [REDACTED] who did she tell, she advised that she told her Mother, Brother, DFACS [REDACTED] and Therapist (Amanda).

DFACS has custody over [REDACTED] currently. We attempted to contact the Bryant County DFACS Officer but received no answer. DFCAS was able to provide case worker from the Chatham County office name ( Akeia Hurt) . DFACS case worker, Akeya Hurt, responded to Coastal Harbor and spoke with [REDACTED] about the situation. After speaking with [REDACTED], we confirmed she wanted to get a Rape Kit. A female Costal Harbor member transported [REDACTED] to Memorial hospital to be examined by a SANE nurse [REDACTED]

A Supervisor responded as well as SVU detectives.

My BWC was activated.
